Station Madras, *Dated the* 10th May 192 7.

From (Name) F. A. Hamilton, Esquire,

(Designation) Inspector-General of Police.

To The Chief Secretary to the Government of Madras,

Judicial Department.

Sir,

I have the honour to forward herewith a plan of the Forest Rest House at Gudekota together with the report of the Executive Engineer thereon, and to request Government to sanction the transfer of the building to this department for use as quarters for the Sub-Inspector of Police, Gudekota station, in the Bellary district.

2. The construction of quarters for the Police staff of Gudekota station was approved in G.O.No.1922 W, dated 13th December 1912, but they have not yet been constructed as there were more urgent works on hand.

3. The Superintendent of Police, Bellary, now reports that the taking over of this building will do away with the

necessity to build Sub-Inspector's quarters at any time, and that it can be occupied in its present form by the Sub-Inspector.

4. The book value of the building is Rs.2883. and the cost of improvements and repairs will be about Rs.700/-. The Executive Engineer, Bellary, reports that if these improvements are carried out, the building will be much better than the typedesign building for a Sub-Inspector.

5. I addressed the Chief Conservator of Forests for the transfer of the building to this department, but he demands the book value of the building to be paid to his department (vide copy of his letter enclosed

6. Under the above circumstances, I request Government to order the transfer of the building to the Police Department, and if payment of its book value is considered necessary to order the Chief Engineer, Public Works Department, Roads and Buildings to provide the necessary funds by reappropriation in the current year's budget.

I have the honour to be.

Sir,

Your most obedient servant,

Subject.- Forest Rest House at Gudekota-

Ref. Dis[illegible]No.[illegible] dated 1-1-27.

In enclosing herewith a plan of the Forest Rest House at Gudekota I submit as follows,-

The Rest House there, comprises of one main building and [illegible] out-house. The main building as can be seen from the plan has two rooms, a hall and verandah in front and sides one room of the outhouse is for kitchen and stores, and the other half for stables. The two buildings are in good condition. The improvements shown in pencil in the plan are necessary to convert the main building as Sub Inspector's quarters. If they are carried out, it will be much better than the type design building. The approximate cost of improvements and repairs will be about Rs.[illegible]. I request that the building may be taken over by the police, as it is suitable for Sub-Inspector's quarters.

No.[illegible]/2-1-27.

Forwarded to the Dt. Supdt. of Police, Bellary with reference to his No.F.C.[illegible]/1, 27 dated 14-12-26 with a plan of the building showing improvements.

Subject. Buildings - Bellary dt - Forest rest house at Gudekota - transfer to Police deptt.

(ct,No.1724) From the I.G of Police Rc.No.169/H&B 1927 d.10-5-27

Please see pp 1-4 cf. The conversion of the Forest Rest House at Gudekota into quarters for a Sub-Inspector of Police will cost Rs.700/- The book value of the Rest House is Rs.2883/-. The total cost of the scheme is therefore Rs.3583/-.

2.The Chief Conservator of Forests demands the book value of the building to be paid to his deptt before the transfer of the building to the Police deptt. But this seems unnecessary- So far as buildings are concerned vide rules I,II and III of Appendix 6 to Civil Account Code Vol.I. The remarks of Development and Finance Deptts may be invited.

to the Forest Deptt may, as suggested by the Ld.
be met by re-appropriation. We may see
Orders sanctioning the I.G's proposal will therefore
as regards the provision of
Arn to issue in R.W.& L. deptt.

In G.O.No.1922 W., dated 13-12-12, the Govt. sanctioned the proposal for the construction of quarters for a Sub Inspector of Police at Gudekota, Bellary district, at an estimated cost of Rs.2,650. The quarters have, however, not yet been constructed.

2. The I.G. of Police now proposes that the Forest Rest-house at Gudekota which is not required by the Forest Department may be converted into quarters for the Sub Inspector of Police The C.C. of Forests is willing to transfer the building to the Police Department but requires that credit should be given to the Forest department for the book value of the building.

The book value of the building is Rs.2,883 and the cost of converting it into quarters is estimated at Rs.700. The total cost will then be Rs.3,583. The permissible outlay on the construction of quarters for a Sub Inspector of Police is Rs.1,335; but the cost based on the approved type always exceeds this amount

3. The Judicial Department doubt the necessity for the book value of the building being given to the Forest Department.

It is submitted that as the Forest Department is a quasi-commercial department, credit should be given to that department for the value of the building proposed to be taken over by the Police Department see rules I to III of Appendix 6 to the Civil Account Code Vol.I (Eighth Edition) and also the Resolution of the Government of India recorded in G.O.352 Fin. dated 20-5-27.

For a precedent, please see G.O.888 Dev. dated 16-6-27 sanctioning the transfer of the office of Forest Ranger, Adoni to the Agricultural Department

and directing that the book value of the building should be paid to the Forest department.

Submitted that the proposal for the transfer of the Forest Rest-house at Gudekota to the Police department and its conversion into quarters for a Sub Inspector at an estimated cost of Rs.700 may be accepte in this department.
